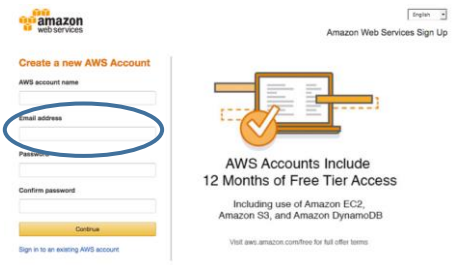
AWS Educate Institution Sign-up

Create an AWS Account

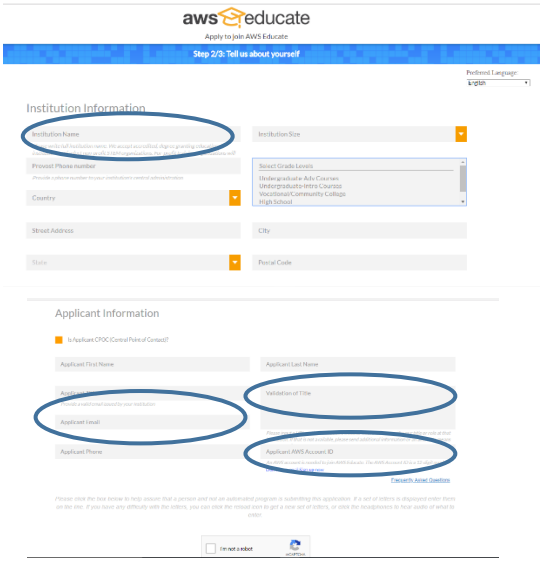


If you do not have a standalone AWS account, create an AWS account at aws.amazon.com

a. You will need to use an email address not associated with any previous account
b. You will need to follow automated account verification process which includes adding a valid credit card and a verification phone call with pin code entry.

Please note that the credit card will not be charged when the account has credits redeemed on them.

Sign up for AWS Educate

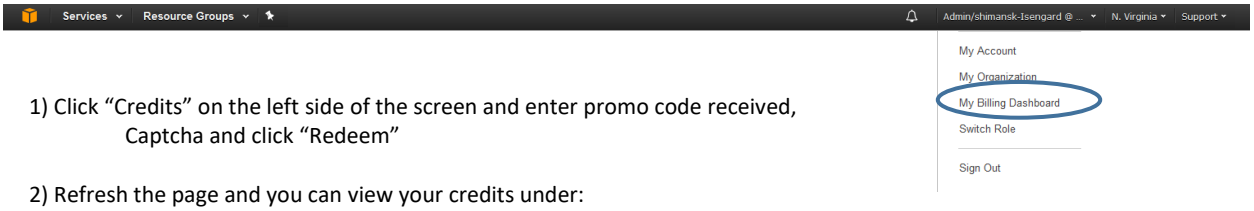


Once you have your AWS account set up, retain the account ID information found at the top right of your AWS Management Console when logged in then:

1) Go to: https://www.awseducate.com/Registration
2) Select **Institution** and click "Next"
3) When filling out the application under the Institution Information section
   - Enter your institution name (which is commonly used by your students)
   - Enter the details of your institution
4) When filling out the application under the Applicant Information section
   - Enter your institution issued email address
   - Enter your 12-digit account ID
   - Provide a direct link to your educator profile on your institution website
5) After selecting next, open the link sent to your email to accept the AWS Educate Terms and Conditions and verify your email address
6) After completion, you will be redirected to a "Thank you!" page confirming your application has been submitted and is under review

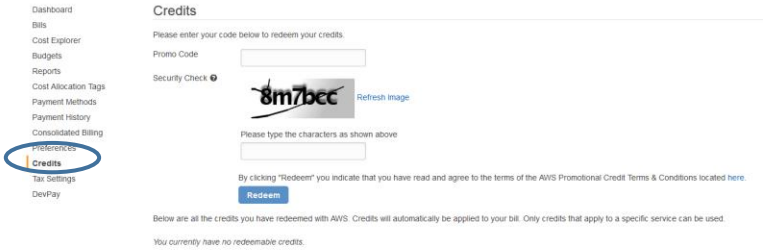
Redeem Credit to Account

Once you receive your credit code via your welcome email, log into your Management Console and click your Admin tab, followed by "My Billing Dashboard" at the top right of your screen.



1) Click "Credits" on the left side of the screen and enter promo code received, Captcha and click "Redeem"

2) Refresh the page and you can view your credits under:
   Below are all the credits you have redeemed with AWS. Credits will automatically be applied to your bill.



Student Signup Guide

Step 1

Go to: **https://www.awseducate.com/Registration** Choose "**Student**" as your role and click "**Next**"

Step 2

Enter your information into the fields. **Click** the ⓘ icons on the right for more detailed information. **Enter** your country of residence, your first name and your last name (surname). **Enter** your institution (school) issued email address: e.g. Student@amazonu.edu.

If you do not have an institution issued email address, additional verification may be required. You will receive further instructions in your email.

Enter your birth month and year, your institution name, your expected graduation, or program completion date. If you have a valid promo code* you can apply it in the bottom field. After completing the CAPTCHA, **click** "**Next**".

**AWS Educate is available to students and educators at no cost, even without a promo code.*

Step 3

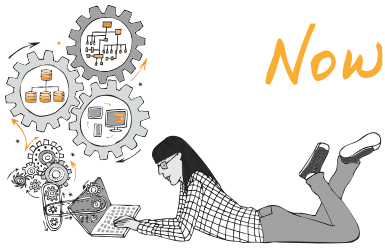
Please review AWS Educate's Terms and Conditions. Selecting "**Agree**" allows you to proceed.

Step 4

Check your email to follow the automated email verification process.

Step 5

After email verification, you will be prompted to set a password to log into the student portal. Make sure your password meets the required security level.



Now you're able to log in!

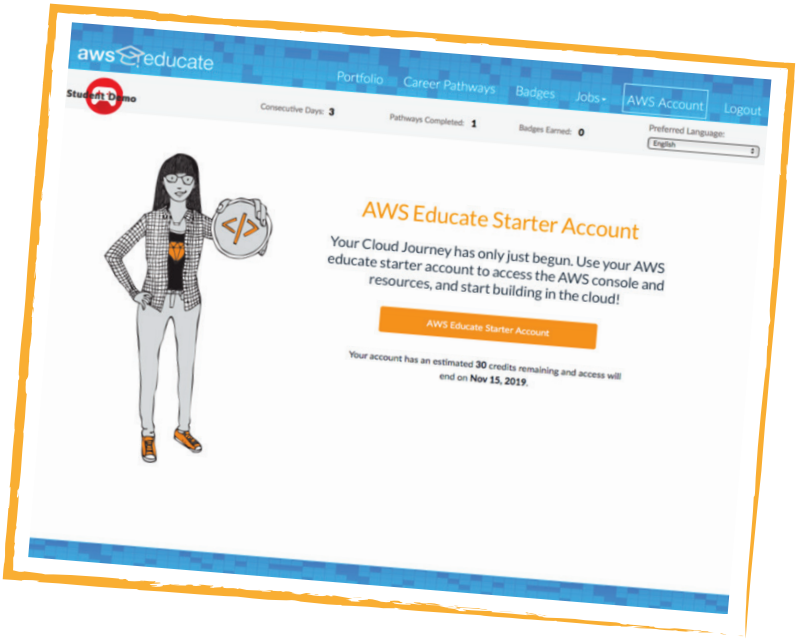
AWS Educate Starter Account

The AWS Educate Starter Account (ESA) offers you free access to AWS cloud resources without requiring a credit card for payment. With an ESA, you will receive $100 in preloaded credits at member institutions, or $30 in preloaded credits at non-member institutions.

Your AWS Educate Starter Account will renew on an annual basis as long as you are an active student and a member of AWS Educate.

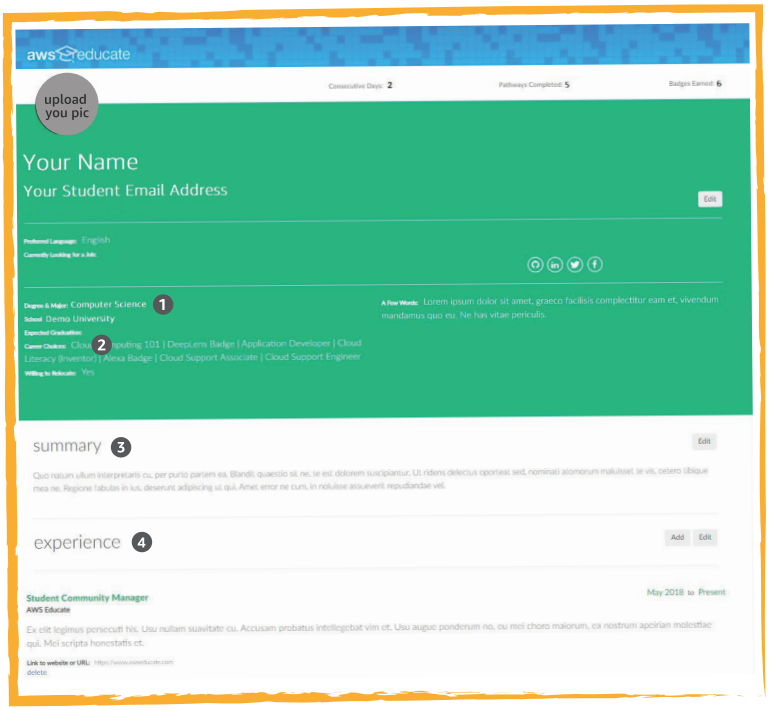


For students over 18, make sure you complete your profile!

To complete your profile, select "Portfolio" in the upper navigation, and fill out the areas below by tapping the "edit" button next to each field.

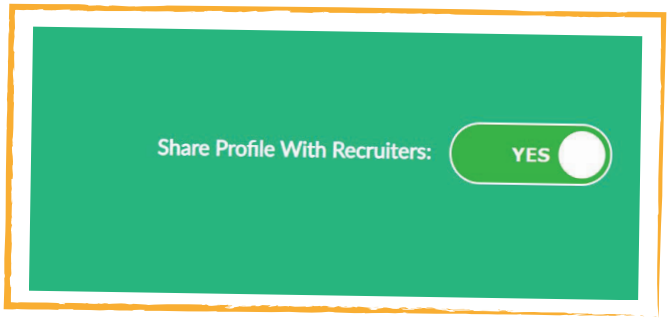
1. Degree or Major: A separate entry will appear after selecting the "edit" button for each "Degree" and "Major." Fill them both out.
2. Career choice: This will autofill with the Cloud Career Pathway you've enrolled in.
3. Summary: Fill in a description of your career goals, your professional passions, and/or interesting school projects. Get creative!
4. Experience: Fill in at least one entry with "Title and Company" included.

Make sure you save each section after filling out your information.



Want to maximize your opportunity to find a cloud job?

As an optional step, turn on the "Share Profile with Recruiters" button in the upper right side of the profile box.



Account credit is automatically added to your AWS Educate Starter Account once every 12 months from the date your application is approved until your graduation/ program completion date.

Educator Signup Guide

With an AWS Educate Starter Account for Educators, you will receive either $150 in preloaded credits with member institution association or $50 in preloaded credits with non-member institution association
